Pt. Jawaharlal Nehru.

This institution was provincialised in the year 2013. Currently our institution has been offering the subjects with Honors in Assamese, English, Economics, Education, History, Political Science and Sociology.

We feel much privileged to proclaim that a couple of students of our institution had secured 1st Class 1st position with distinction in the department of Education and sociology. Ms Pallabi Bhattacharjee created history by securing Best Graduate (Arts Stream) under Dibrugarh University for the year 2017. She secured 1st Class 1st in the BA Final Examination in the Department of Education. She obtained 84% of marks and first class first rank holder in Education. Prarthana Chutia also secured first class first rank in Education in the year 2014-15.

It is our pleasure to state that among those, a few students were able to secure top position in the university (P.G.) level also.

We are pleased to announce that Moran Mahila Mahavidyalaya is embracing the transformative changes brought about by the New Education Policy (NEP) 2020 implemented by the Govt. of India. At our college, we have always strived to provide an excellent educational environment that prepares our students for the challenges of the future.

It may be worth mentioning that the institution has been playing an active role to facilitate those students to acclimatize themselves with the socio-cultural and intellectual aspects of the society.

Our prime endeavor is to uplift our students to such an extent where they could find themselves as one of self dependent and self confident personalities of the society.
